Ask yourself this...

- Would you benefit if **SOMEONE ELSE** paid for **TWO WEEKS** of entry-level labor **BEFORE** you extended a job offer? Think of it as a ‘working interview’.
- Would it help to eliminate the high costs of repetitive, entry-level ‘Help Wanted’ ads?
- Would it make sense to **free up your skilled workers’ time** by assigning simpler tasks to an entry-level worker, even for just a few hours a week?
- Would you like to save time & money with **free orientation assistance & supervision** when training a new employee?
- Would you benefit from **bottom-line tax credits** & limited time employment grants to help cover initial training costs?*

If you answered **YES** to these questions, contact Lifeworks today!

* Lifeworks Employment Services offers a ‘TWO (2) Week Entry-Level Internship’ PAID BY US, up to a maximum of 40 hours.
